

XP-480B

Bluetooth Thermal Label Printer

The XP-480B is your reliable solution for efficient and high-quality label printing. This compact and user-friendly printer is perfect for a wide range of applications, from retail and logistics to healthcare and more.

Built with durability in mind, the XP-480B is crafted from high-quality materials, ensuring a long lifespan and consistent performance. This printer is designed to withstand the rigors of daily use, making it a reliable asset for your business.

Bluetooth Connectivity

The XP-480B comes equipped with advanced Bluetooth technology, allowing seamless wireless connectivity to your devices. Say goodbye to messy cables and enjoy the convenience of printing from your smartphone, tablet, or computer with ease.

User-Friendly Interface

Featuring an intuitive interface, the XP-480B is easy to set up and operate. The user-friendly design streamlines the printing process, allowing you to focus on what matters most – growing your business.

High-Speed Printing

Boost your productivity with the XP-480B's rapid printing capabilities. This thermal label printer ensures swift and accurate printing, making it ideal for busy environments where time is of the essence.

Wide Compatibility

With versatile compatibility, this printer supports various label sizes, accommodating your diverse printing needs. Whether you require shipping labels, barcodes, or product tags, the XP-480B has got you covered.

Specifications

PRINTING
